

Ames, IA Hotel Information

**When calling for reserve a room, ask for the All Iowa Attack rate and many of the hotels will give you a discounted rate. Please make sure to mention you are here for an All Iowa Attack basketball tournament as that is how you will get the discounted rates.

**Currently we have no rooms booked for teams as many Ames hotels don't let us book rooms. We will be working on this and trying to get them to work with us.

We highly recommend the Gateway Hotel as it is the best for your money and also less than 5 minutes from almost all gyms we use.
